To Whom It May Concern

Dear Sir/Madam:

Subject: Executive Mat Service and Janitorial Supplies

I am pleased to provide this letter of reference for Executive Mat Service and Janitorial Supplies.

As with any organization, of vital importance to the Saskatchewan Abilities Council is ensuring that our clients, visitors, and staff members have a safe environment in which to receive services and carry on business. This focus on safety extends to floors and flooring surfaces. It is important to us that our floor surfaces are free of tripping hazards, wetness, and that they can accommodate a variety of mobility equipment and needs. To that end, we are pleased to have installed Executive Mat's waterhog mats. Executive Mat's waterhog mat provides a safe, clean surface that stays in place and is able to accommodate mobility devices and needs. We are pleased with the functionality, look and, most importantly, the safety the mats bring.

The Council's experience with Executive Mat Service and Janitorial Supplies has been excellent. We were able to trial the mats to ensure they met our needs and we benefitted from working with a local company that provides direct and ongoing contact with expertise and years of experience in the field of commercial mats. I would not hesitate to recommend Executive Mat.

Thank you and please contact me for further information.

Yours truly,
SASKATCHEWAN ABILITIES COUNCIL INC.
